THE 1950

# HILLTOPPER

THOMAS CARR HOWE HIGH SCHOOL

INDIANAPOLIS, INDIANA

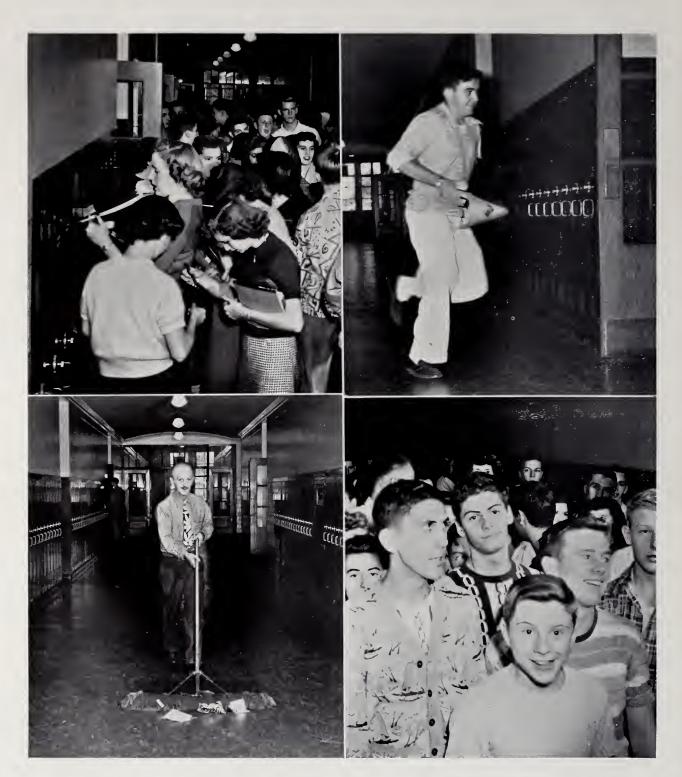

Bulletin Boards play a big part in Howe students' lives. Sixty-one teachers and nine members of the administrative staff are ever alert to the notices posted in the office. More than 1,300 Howeites are informed in their homerooms by official announcements which are read each day. Seniors have their own special glass-enclosed board, a gift of the 1949 Senior Class, on which scholarship and college bulletins are displayed. Athletes keep both eyes open for notices from their

coaches on bulletin boards in the gym. Publication staff members keep up on the latest "news" through their announcements posted in the Tower. The latest "info" on school-sponsored clubs is thumbtacked on hall bulletin boards. From that first announcement of "All 9B's report to the gym at 2 p. m." to "Seniors, turn in your caps and gowns after commencement," we go through the year guided by these announcements which direct our school lives.

CLOCKWISE reading from top left:

BEFORE school people gather in groups to catch up on the latest gossip or talk over homework.

LATE AGAIN! It just seems as though some people don't know how to tell time. Of course, sometimes it can't be helped—you just have to see that Suzie gets to class safely.

THE BELL rings and we're off to lunch. Do you suppose they'll have French fries today? If not, maybe there'll be ham sandwiches. Whatever they do have, we'd better hurry or we won't have any lunch.

THE END of the day! It's five o'clock now—time for all straggiers to be on their way home. Papers on the floor are swept up by the janitors who prepare the school for the next day.

TOP LEFT—David Williams and Barbara Weesner, the 1949 American Legion Good Citizenship Award winners, are congratulated by Principal Charles M. Sharp. They were chosen for outstanding service to the school, leadership qualities, and general good citizenship.

TOP RIGHT—The D. A. R. recognized

Betty Payton as the outstanding senior girl in citizenship for the year 1950.

BOTTOM LEFT—Philosopher Kent Pierce and Violet Queen Judy Clark took part in the 1949 May Pageant.

BOTTOM RIGHT—Brown Boy Dick de-Langlade and Golden Girl Janet Callon at the Brown and Gold Dance.

The 1950 Hi-Y Sweetheart Dance was held at night for the first time in February. Kay Barry was crowned Hi-Y Sweetheart from votes cast at the dance for candidates chosen by the Senior Hi-Y Club. Her court members were Beverly Clendenin, Phyllis Haskin, Dorothy Hayes, Sara Spradling, and Nancy Costin.

Howe's election unit started in October with the election of precinct committeemen. At an assembly program the day before the election, candidates from the Nationalist and Federalist parties were formally introduced and their party platforms were stated. Candidates had been nominated at party conventions held November 3. November 10, election day, results showed that Morand Roth, Nationalist, had defeated Jack Garrison, Federalist, for the governorship of Howe.

Connie Simons, Howe's 1949 Track Queen, was crowned on April 5, by high point track man David Martin. She and her court members, Lola Brady, Janet Callon, Barbara Cox, Nina Dallas, Jane Goken, Cynthia Hatfield, and Bernice Reed, were selected as candidates by the track team. Season ticket purchasers voted for the queen.

BOTTOM PICTURE—Barbara Cox, Lola Brady, Janet Callon, Track Queen Connie Simons, Jane Goken, Nina Dallas, Bernice Reed, Cynthia Hatfield.

The 1949 May Pageant, featuring the Violet Queen and a review of our country's past entitled "Our American Heritage," was held on May 24, to celebrate Howe's eleventh birthday. The Violet Queen, Judy Clark, and her court, Pat Cullings, Joan Hiner, Babs Schulmeyer, and Anita Strahl, were chosen as candidates by Vihota, the junior girls' club. The students voted for the gueen. Kent Pierce, the Philosopher, was elected by the Senior Hi-Y.

The Pageant opened with "Hail to the Queen" by the band and choir. The Queen was taken back through the years into the pioneer days of America's past. There she saw the beginning of our country as portrayed in dances and song.

A fine new addition to our music department this year was a Steinway baby grand piano. It was dedicated by Mr. John Sieberling, pianist, at an assembly program in January.

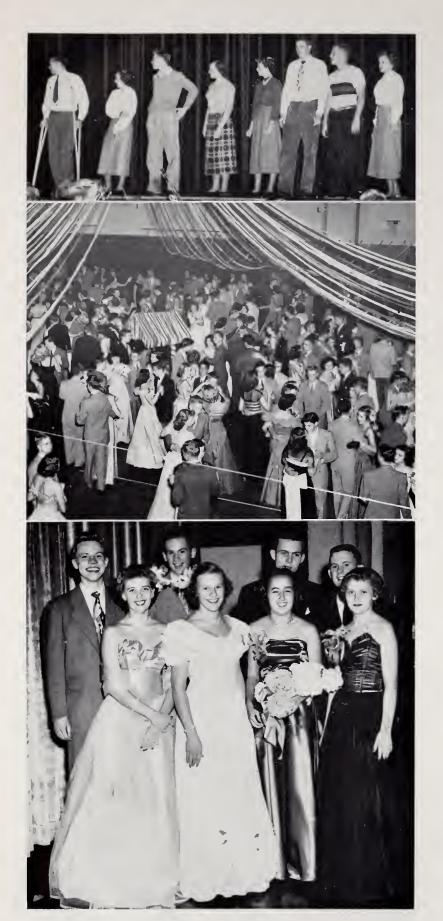

Howe's 1949 Football Queen Jeanette Dixon was crowned by Captain John Vollmer at the Howe-Warren Central game. Her court included Wilma Billingsley, Susan Wallace, and Carolyn Walther. Candidates were selected by the football team and the queen was chosen by the student body.

Howe's Brown Boy and Golden Girl candidates did not know of their candidacy until they were called to the stage at the HILLTOPPER assembly held September 21. After voting was held in junior and senior homerooms, the two boys and two girls receiving the most votes in each class were selected as candidates. Following the regular program at the assembly, descriptive verses were read about each candidate as he or she was called up from the audience.

Pictures of the candidates were displayed in a main floor show case. A ballot for Brown Boy and Golden Girl was given with the purchase of each 1950 HILLTOPPER

The HILLTOPPER staff decorated for the dance with a wishing well in the center of the gym floor and with a canopy of brown, gold, green, and white streamers. The curtains on the stage had a large brown and gold "B & G" pinned on them.

Dreamy dance music was provided by Don Nelis and his band from 9 to 12 p.m. During the intermission, Mr. Russell Curtis announced the results of the voting to be Brown Boy Dick deLanglade and Golden Girl Janet Callon.

TOP PICTURE—Dick deLanglade, Janet Callon, Don Franz, Nancy Johns, Carolyn Walther, Kent Pierce, Ralph Johnston, Alice Farmer.

MIDDLE PICTURE—Brown and Gold Dance. BOTTOM PICTURE, BACK ROW—Don Franz, Kent Pierce, Brown Boy Dick deLanglade, Ralph Johnston. FRONT ROW—Carolyn Walther, Nancy Johns, Golden Girl Janet Callon, Alice Farmer. "Our American Heritage," the review of our country's past at the May Pageant, portrayed the beginning of our country. The development of the Machine Age, The Spirit of '76, The Jazz Age, The Depression, and The World Wars were interpreted through dancing by the physical education students and musical numbers by the band and choir.

Howe's business managers, sponsored by Mr. Paul Klinge, do much "behind the scenes" work. They see that tickets are sold and that all money is accounted for at such events as the operetta, Pleasant Run Revue, music department programs, and the Footlight Revelers' Play. Student business managers are Howard Brady, Jack Callon, George Fisher, Jim Hueston, Dick Miller, and Morgan Sly.

September 21 was a day of important happenings at Howe. The annual HILLTOP-PER assembly was held. After "It Pays To Be Stupid," a quiz program put on by the 1950 staff, plans for the subscription campaign for the 1950 HILL-TOPPER and the Brown and Gold Dance were announced. The Brown Boy and Golden Girl candidates were then called to the stage as they were announced.

#### "THE MOCKING BIRD"

"The Mocking Bird" by Sidney Rosenfeld and Edward Bradley was presented by the Howe Choir in November under the direction of Mr. Frank S. Watkins. Manon Delange, played by Nancy Johns, and Bob Finchley, played by Paul Taylor, were the leading characters in this operetta set in old New Orleans.

#### STUDENT ACTIVITIES BOARD

Howe's student representative body is the Student Activities Board which functions under the leadership of Betty Payton, president, and sponsors Mrs. Mildred Loew and Mr. Thomas Stirling. In the fall semester the board ushered at Open House and sponsored an assembly composed of student talent for which open tryouts had been held. A presectional game pep session and a spring dance were also sponsored by the board.

The members of the Student Activities Board Cabinet are Betty Payton, president; Morgan Sly, vice-president; Jo Ann Meyer, secretary; Judy Springer, assistant secretary; Paul Campbell, treasurer; Marilyn Hudson, senior representative; Kenneth Woods, junior representative; Richard Allen, sophomore representative; and Beverly Weevie, freshman representative.

Other main roles of General Aubrey, Maxime Grandpre, Yvette Millet, Jean Le Farge, The Marquise De Villebois, The Countess Bellaire, and Captain Beloit, were played by Homer Pence, Alan Taylor, Beverly Weevie, Robert Suhre, Martha Bolte, Jane Koten, and John Lofton, respectively. Choruses of Colonists, Immigrant Girls, and Sly musettes, formed a colorful background for this gay musical.

"WHAT IS this process called education? Can it be explained so that the student can understand? We desire to produce better people. Therefore, we seek to set up ideal growing conditions in a kind of human greenhouse called a school. Therein, we nourish the student with well selected experiences (curricular and extracurricular) intended to develop healthy bodies and growth in skills, facts, attitudes, and appreciations meaningful to him immediately and in the future. This process of controlled growth we call education. Also, the student makes contacts with his home and with the community. These, too, affect his growth—the school does not do it all! And because the student has

a will of his own he may choose to accept or reject what is offered him. His attitude will determine his growth.

Howe High School seeks to educate for life adjustment. By this we mean that our school, with the aid of other community agencies, attempts to provide opportunity for you to discover, as far as you are capable of doing, what life is all about—socially, morally, physically, intellectually, and spiritually so you can find a socially useful and personally satisfying place in our democratic society."

CHARLES M. SHARP, Principal

#### THEY MAKE THE WHEELS RUN

Among many people here at Howe, our office and cafeteria staffs come at the top of the list of outstanding workers.

Mr. Clarence R. Clayton, vice-principal, schedules all classes and sees that each student gets in the right class. Mr. Clayton also directs student counseling and guidance for upper classmen.

Mr. Thomas Stirling, dean of boys and vice principal, has charge of freshman counseling and guidance.

Dean of girls, Mrs. Mildred D. Loew, checks attendance records each day. Teaching math is another of her responsibilities.

COUNTERCLOCKWISE—ADMINISTRATIVE STAFF: Mr. Clarence R. Clayton, vice-principal; Mr. Thomas Stirling, dean of boys and vice-principal; Mrs. Mildred D. Loew, dean of girls; Miss Virginia Childers, secretary; Mrs. Christianna Genrich, registrar; Mrs. Mabel Burkart, assistant bookkeeper; Miss Marie Ochs, clerk; Mrs. Arla Hunt, cafeteria manager; Mr. Roy Horton, engineer.

Besides her regular office clerical work, Miss Virginia Childers, secretary and treasurer, helps to put out the weekly bulletin along with Mrs. Genrich and Miss Ochs.

Mrs. Christianna Genrich serves as registrar plus doing many other clerical duties in the office.

The manager of the bookstore, Mrs. Mabel Burkart, also keeps the books for our school.

Helping in the bookstore during busy times and doing general clerical work in the office are the duties that identify Miss Marie Ochs, clerk.

In the cafeteria directing all her assistants is Mrs. Arla Hunt, cafeteria manager.

Mr. Roy Horton, engineer, is well known by the Howe students as the man who, with the assistance of his staff, keeps our building in tip-top shape.

ENGLISH IN ACTION

Besides the activities usually expected in an English Department, Howe closely correlates English and vocational information and interest inventories. For pupils with special writing abilities and interests in publications work, an elective in journalism is offered. It is from the journalism classes that the members of the HILLTOPPER and TOWER staffs are chosen. College-bound students receive special training in English VII and English VIII. In English VII a final study of grammar is made. A research paper is written by students in this class. English VIII classes make a survey study of English literature.

Speech training includes public speaking, radio speech, and dramatics. Members of the radio speech class participated in several radio programs during the year. All English classes have emphasis on oral presentation.

A broad free-reading program and supplementary reading is fostered by two librarians, sixteen student assistants, and a library of nearly six thousand books. The student assistants take library practice for one semester and work in the library for the alternate semester. Approximately 300 books were added to the supply of books we now have in the library.

COUNTERCLOCKWISE—ENGLISH DEPARTMENT: (top row) Miss Alice Hankins, Mr. Seward Craig, department head, (third row) Mr. Kenneth Smartz, Mr. Wayne Mellott. (second row) Miss Ellen O'Drain, Miss Marthana McWhir. (bottom row, far left) Mrs. Hariette Baker, Mrs. Ellen Jenkins, Miss Dorothy Brown, librarian; Mrs. Betty Baker, Mr. Darrell Gooch, Mr. H. C. Tobin.

DEVELOPING SKILLS

The Commercial Department has a wide variety of courses suited to various needs and individual abilities.

Courses with general educational value are those in junior business, commercial geography, and business law.

Business arithmetic, filing, typewriting, bookkeeping, comptometer, and office procedures are of a semi-vocational value.

Primarily vocational in nature are those courses in shorthand, advanced typewriting and office practice (secretarial training).

Many Howe grads have found good positions as a result of their high school training.

1-2-3-4, up-2-3-4, down-2-3-4. These familiar strains come from the realm of the muscle developers, more commonly referred to as the Physical Education Department. Boys and girls gym classes get vigorous work-outs on mats, ropes, apparatus, and rings.

An intra-mural sports program presents an opportunity to any boy enrolled at school to participate in such activities as basketball, football and track.

Health classes teach students to guard themselves against all those mean bacteria. Through these classes the students understand the necessity of maintaining good physical and mental health.

COUNTERCLOCK WISE—COMMERCIAL DEPARTMENT: (left top row) Mrs. Margaret Rowe, department head; Mrs. Ellen Jane Mead. (third row) Mr. E. Franklin Fisher, Mr. Sherman J. Pittenger. (second row left) Mr. Charles Ruschhaupt. PHYSICAL EDUCATION DEPARTMENT: (second row right) Miss Celia Smith, nurse. (bottom row) Mrs. Jean Taggart, Mrs. Barbara Wood, Mr. Lyman Combs, Mr. E. L. Yeager, Mr. Samuel Kelley, Mr. Ray Bowman, department head.

PROMOTING INTERNATIONAL UNDERSTANDING

"If I win, I promise to . . . " These words mark the annual election campaigns of the candidates for Governor of the State of Howe. The Social Studies Department has done much to further the students' interests in its three major courses, World History, United States History, and United States Government. Each year the department sponsors a mock election for state, county, and city officials. Those elected to the five principal state offices go to Purdue University to attend the Student Legislative Assembly. The two political parties, Nationalist and Federalist, put on a great campaign with all the earmarks of the real thing.

Latin American History students travel down (through books of course) to Central and South America to learn about our Southern neighbors. Sociology classes make a study of institutions which mold society and some of the problems of that society. In Psychology students study the individual and his reasons for acting the way he does with an emphasis on helping the students involved. Family Relations is a preparatory course for marriage and family life.

During the year students enrolled in the department participated in the American Legion Oratorical Contest, United Nations Examination, and the Civil Rights Essay Contest.

COUNTERCLOCKWISE—SOCIAL STUDIES DEPARTMENT: Mr. Rex Anderson, Mr. Hartwell Kayler, Miss Dorotha Kirk, Mrs. Hattie L. Winslow, Mr. Lewis Gilfoy, Mr. Wade Fuller, Mr. Russell Curtis, department head.

SCIENTISTS AT LARGE

Ever noticed the peculiar smell of rotten eggs or the odd odor of chloroform wafting through the halls of Howe? If not, perhaps you've noticed a certain few people lugging great big orange books around. At any rate, these are signs of the science department. That fragrance of rotten eggs is the mark of the chemistry lab when the students are slaving with their collection of chemicals. Chloroform has all the marks of the biology lab when some murderous student is putting an end to some poor weak bug. Those big orange books and big long tests really leave the physics students in a whirl. The study of science does, however, create an interest in hobbies for leisure time activities, gives knowledge of purchasing and using goods and services, and gives students an understanding of the need for conservation of natural resources.

A course in Chemistry III, qualitative chemical analysis, is offered one semester each year. This year a new course in physical science was offered to juniors and seniors; on the alternate semester each year those students who take only biology as their science are offered a one semester survey course in physics and chemistry known as physical science.

COUNTERCLOCKWISE—SCIENCE DEPARTMENT: Mr. Virgil Heniser, department head; Mr. Paul Klinge, Mr. Richard Hammond, Miss Jerry Motley, Mr. William M. Smith, Mr. Floyd Jeffries.

TONGUES FROM THE PAST AND PRESENT

"Amo," "amas," "amat" or "amo," "amas," "ama" are two sets of conjugations you frequently hear students of Latin and Spanish reciting. Along with the ever present verbs, pupils of the Language Department learn an appreciation of the language and customs of the people who speak it. Slides and pictures are shown in the classes to demonstrate the language in use or to show life of the countries from which the language is derived. Records to aid in pronunciation of Spanish and Latin words are played in most of the classes. Supplementing classroom work the Latin and Spanish clubs provide a variety of programs for afterschool activity. The annual Latin contest, held every spring semester, stirs an added interest in Latin, the language which serves as the basis of our present-day English.

The second floor show case of the Language Department reveals many things of interest to Howeites not taking foreign languages. The displays range all the way from Christmas and Valentine's Day greetings in foreign tongues to scenes of Spanish customs and historical events.

A true Roman banquet was served to celebrate the Saturnalia last year in the Latin Club. The Spanish Club celebrated Christmas with a pinata and all the other "usuals" for a fiesta.

COUNTERCLOCKWISE— LANGUAGE DEPARTMENT: Miss Mary E. Thumma, Miss Ruth Godwin, Miss Thelma Cooley, Miss Narcie Pollitt, department chairman.

PRACTICAL MATHEMATICS

Approximately 850 pupils, about 65% of the entire student body, were enrolled in the Mathematics Department this last year.

The department makes an effort to increase interest in the practicability of its courses. Students enrolled in trigonometry found the height of our flag pole and established a level line between two bench marks to determine the elevation above sea level of the land. During Open House, card tricks, cross number puzzles, and pseudo-magic tricks were demonstrated. In the classroom the slide rule was used. The Mathematics Department desires to increase both interest and achievement through emphasis on concepts, meanings, and understandings, that is, the "why" of mathematics, instead of the traditional emphasis on mechanical skills and rote learning.

Classes in Algebra IIx and Geometry IIx were offered in the second semester to students who had an A+ average in the first semester of the course, thus giving them more opportunities in the mathematics field. Purdue tests are given by the department to compare Howe's work with other standards.

COUNTERCLOCKWISE—MATH DEPARTMENT: Mr. Robert Belding, department head; Mr. Charles Gross, Mrs. Ruth Reed, Mr. Alvin Geier, Mr. Fred Lemley, Mr. Harrison Richardson. Not pictured—Mrs. Mildred D. Loew.

HOME ARTS

Slaving over a hot stove all day or cutting material 'til you think your fingers will never move again is nothing new to the students of the Home Economics Department. The girls in foods learn how to prepare good meals, with the right amount of protein, carbohydrates, and other such things—the meals turn out to be pretty good, too (at least they smell good). The busy seamstresses turn out some pretty snappy numbers that could hold their own in any preview of Paris fashions. We all admire and desire the clothes modeled in the annual spring fashion show of the sewing classes. Of course, we don't want to leave out the homemaking and social practice classes which are of interest to so many.

Students develop skill in doing things by hand in the Industrial Arts Department. In drafting classes they learn to do neat lettering, and to make drawings of working machine parts, articles of furniture and plans for houses. Boys in the wood shop classes plan and construct useful articles such as tables, stools, desks, bird houses, toys, games, etc. Boys who take metal shop may make screw drivers, hammers, table or floor lamps, dust pans, and Christmas tree holders. In the printing classes the boys learn to set type and get it ready for printing school forms, programs, tickets, and stationery. Advanced students do most of the press work.

COUNTERCLOCK WISE—HOME ECONOMICS DEPART-MENT: Miss Helen Allen, department chairman; Miss Lois Coy, Miss Doris Hasler. INDUSTRIAL ARTS DEPARTMENT: Mr. Roscoe Pierson, Mr. Wathen Leasor, Mr. Hervie Vertrees, Mr. E. A. Patterson, department chairman.

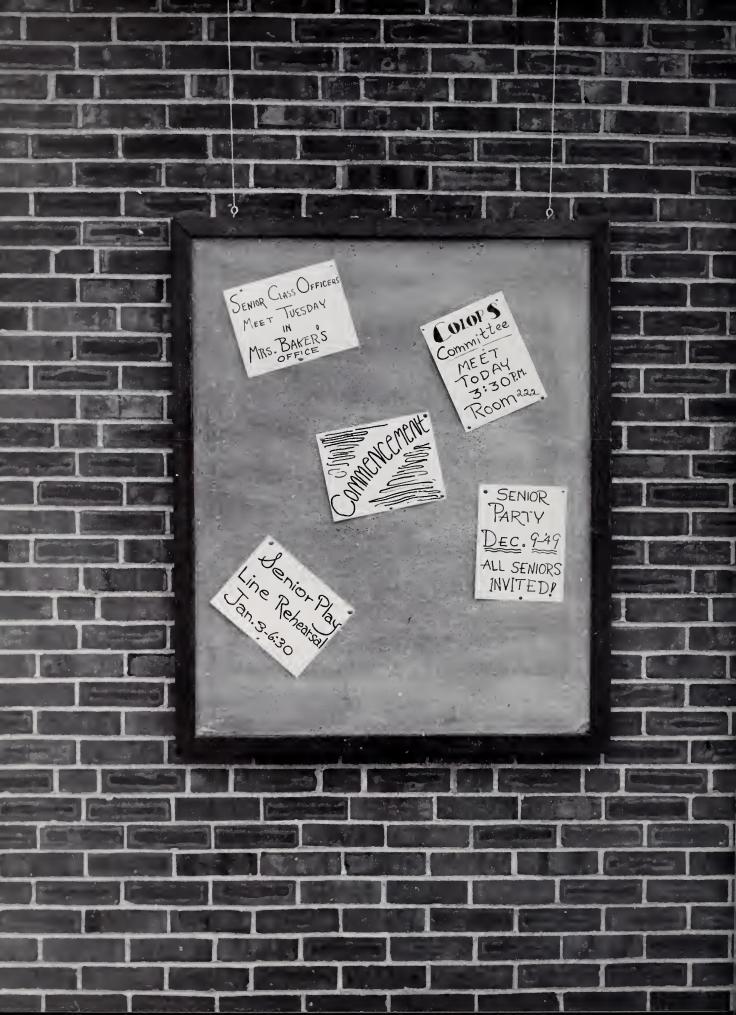

THE FINE ARTS

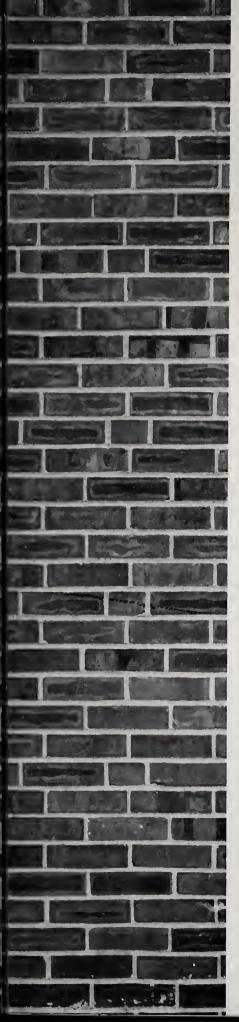

The Art Department stresses leisure time objectives as well as the professional approach to art. Students taking Commercial Art learn the fundamentals of lettering, posters, layout, and color. Creative work is stressed in Fashion Art by drawing original designs for clothing. Advanced art classes elaborate on perspective, modern designs, and sculpture. Classes in crafts work on rings, bracelets, wastebaskets, letter openers, etc. New classes in lettering and plastics have been added to the department this year.

The combined organizations of the Music Department desire to enrich the life of every student enrolled in its courses. At Open House last November, under a guest conductor, Mr. David Hughes, of the Jordan College of Music, the Howe Band, orchestra, and vocal groups performed. This year, for the first time, each unit of the Music Department gave a concert of its own with soloists from its own group, in addition to the biennial operetta given by the choir.

The orchestra's concert held in December received very favorable comments from Mr. Henry Butler, music critic for the Indianapolis Times. An "Evening of Music" was given by the band in March, and several band members were the soloists. The Music Festival, in May, was the concert of the vocal section.

COUNTERCLOCKWISE—ART DEPARTMENT: Miss Janet Keller, department chairman; Mrs. Loreen DeWaard, Mr. F. M. Howard. MUSIC DEPARTMENT: Mr. Frank S. Watkins, department chairman; Mr. John W. Shepard, Mr. Robert Burford.

Throughout their four years in high school, Howe students form many lasting friendships. From their freshman year through their senior year they grow in wisdom and stature until they are ready to go out on their own.

## ON STAGE,

Ribbons of brown and gold and green, senior rings, and a look of "hurray, I finally made it," identify the 1950 senior class. Pictured above are John Vollmer, president; Nancy Johns, vice-president; Paul Campbell, treasurer; and Jane Goken, secretary, who planned and organized color, vespers, and commencement ceremonies. Though memories of the past may be blotted out by time, nothing can blot out the memory of our last wonderful year at HOWE.

### 950 SENIORS

In October, the five members of the play committee met with Mr. Darrell Gooch to arrange for the 1950 senior class play. The play chosen was Seventeenth Summer, dramatized by Ann Coulter Martnes from the book by Maureen Daly. Two evening performances were given on January 27 and 28.

Angie Morrow was pretty, bashful, and too young to date, or so her mother thought. But then Jack, the handsome baker's son, came along, and Angie's life began to change. Her sisters, Lorraine, the sophisticated college girl; Kitty, the tomboy; and Margaret, the understanding one, add complications and confusion to the plot.

The antics of the father who is the victim of his little daughter, Kitty's foolish pranks, add humor and laughter to the story. Mrs. Morrow is the kind-hearted mother who says just the right thing at the right time.

Before Angie departs for college, all the heartbreaks and misunderstandings are swept away, just like the old saying, "Love conquers all."

Not only were the cast members actors and actresses, but they were also interior decorators, carpet layers, and furniture movers. They did everything from hanging curtains, to straightening nails. All the props, including a horn, two bicycles, mirror, and lunch basket, were borrowed from the cast or their families.

FRESHMAN FOOTBALL DO NOT MEET. TODAY CROSS COUNTRY MEET TUESDAY, Novs LARSICA CO T BALL BASKET RALL

Howe's athletic program gives Howeites the opportunity to participate in a year-round sports calendar. Athletics have expanded here until we now offer a wide variety of interscholastic and intramural athletics from which to choose.

### GRIDMEN HAVE .444 SEASON

BROAD RIPPLE—Howe opened its season on the short end of a long score in its game with Broad Ripple. Although the ground gainage was fairly equal, the Hornets fell behind in the air. The passing of Alltop proved fatal to the Howeites. The Rockets' scores were made by: John Plum, on a pass; two by Jesse, on a pass and a run; pass completed to Jack Phillips; and a run by Cliff Bush. The final score was 31-0, in favor of Ripple.

TECH—Tech dedicated their newly lighted field in proper fashion by outscoring Howe, 20-6. Howe's first touchdown of the year came on a pass from quarterback Dick Oberlies to end Bob Mogle. The point after the touchdown was missed by Roth. Roth moved the oval down field in an unusual way: back to punt, he was unable to hang on to the center and was forced to run. He carried the ball around his own left end to the Tech 46 for a first down. The touchdown pass was made a few plays later from the 30.

MANUAL—This was the shining game for Howe on the gridiron in the year 1949. Manual, previously unscored upon, fumbled on their own 20 from where Ahearn scored in short

for Manual. When the game was over the scoreboard read 13-7.

WESTFIELD — Receiving the ball on the 25, Ahearn started the Howe offensive in action by carrying the ball to the 33. The touchdown was made when Roth recovered a fumble for the Hornets. On the next play Howe netted another six points. Lewis was the ball carrier. Howe's last six points were made when Ahearn came home with the bacon. The game ended with Howe leading the Shamrocks, 19-0.

BEN DAVIS—Howe got off to an early lead of 7-0 in the first quarter. Ahearn, our high scoring halfback, made the six points. The next touchdown was set up by a pass from Morand Roth to Dwyer. After cracking the line twice, Phelps scored from the 2. During the second quarter the Ben Davis passing attack began to affect. A long run back and a pass paid off for the Giants. After a marker by Ahearn the kickoff was received by the Giants on their 9. At this time a perfect pass was sent to Keith Newman, our sturdy left guard, who scored untouched. Merchant made Howe's

last marker before the storm, going over from the 6. Ben Davis closed the gap to end the game with the score of 33-27, in Howe's favor.

ANDERSON—This game was a rout! The closest the Indians came to scoring was on the opening kickoff when the return was stopped by Howe's last defender, Ahearn. As the evening progressed the Hornets ran up and down the gridiron, almost at will. Leo fattened his point total by making four touchdowns. All Anderson was able to do was to try two or three plays and punt. In the last quarter Roth had a great deal of enjoyment in receiving Anderson's punts. Twice in a row he picked up the ball and carried the pigskin down the right sidelines for two successive touchdowns. Other markers were made by Frank Fox, Phelps, and Grant McBroom.

WARREN CENTRAL—In this game Howe's offensive machine was very cold. The Warren Warriors broke the Howe victory string at four games. The first quarter passed without any serious scoring threat by either side. In the second quarter the Hornets punted from their 17 to the 45. On the third play DeJeet carried the ball to the 15.

At the end of the football season John Vollmer (left) was elected honorary captain, Keith Quillen (center) was awarded the Best Mental Attitude Award, and Ernie Phelps (right) won the Most Valuable Player Award.

### Two more plays put the Warren ball on the 3. Warren's first touchdown came on the following play with Curran going around left end. In the third quarter Oberlies' punt was blocked and recovered by Warren on the 26. On the last down Curran forced his way across for the Warriors' second marker. Howe was inside the 10 yard line twice, but was unable to score. Howe's major scoring threat was a pass in the last quarter. Mogle, receiving a pass from Oberlies, lateraled to Zobbe. Zobbe was pinned on the 10. Howe's threat faded as the ball was fumbled on

drew first blood in this battle royal at the CYO stadium. In the first guarter Ahearn crossed the goal line for Howe's only touchdown. Howe's lead was gone before the first quarter was over. Puricha scored for Washington before the second period started. Washington's second marker was made by Schroeder in the third guarter. The game was marred by many penalties on both sides. Most of the latter part of the game was uneventful and the game ended with the score of 14-6 in Washington's favor.

CRISPUS ATTUCKS—On Howe's first drive Attucks fell behind, 6-0. Ahearn, Lewis, and Phelps moved the ball into scoring position. Fox carried the ball over from inside the 5. In the second quarter Attucks made their touchdown. The point getting play was a pass from Murray to Adams. On an attempted pass from the shadow of the goal posts Phelps attempted a pass, but was caught in the end zone for a safety. The final score was 9-6.

The Hornets ended their season with a record of four wins and five losses. In the nine games played by the Hornets they outscored their opponents 141-121 points. This gave Howe an average of 15.8 per game, compared to their opponents' 13.4. This gave Howe a scoring edge over her opponents of 2.4.

### RESERVE FOOTBALL

Coach Roscoe Pierson's reserve team started the season in grand fashion but fell into a tailspin toward the end because the varsity had called up their more outstanding boys.

Winning their first two games over Manual and Shortridge, the Hornets lost to Warren Central, Washington, and Southport, and ended the season by tying Crispus Attucks.

### FRESHMAN FOOTBALL

Howe's freshman football team played "hot and cold" football over a rugged first-year schedule to end the season with a respectable .500 average.

The rhinies, coached by Mr. Harrison Richardson, started by

beating Manual's Redskins and then tied Ben Davis. Broad Ripple was the first team to down the Hornets, who then walloped Southport, only to lose finally to Warren Central.

\*Low score wins.

Coach Ray Bowman's harriers did an exceptionally fine job in the fall season of 1949, having won all of their meets except one.

The biggest event of the year came on Octo-

ber 25 when the Hornets buzzed ahead of fourteen other teams to win the Sectionals at Coffin Golf Course. Jack Wellman, who ran an undefeated season, led the Hornets to their first Sectional crown only two seconds off the course record. Kent Pierce and Les Swinehart placed fifth and sixth, respectively. The Hornets scored 39 points, trailed by Tech, Washington, Broad Ripple, and Srortridge, in that order.

Howe's rival, Anderson, won the State Cross Country Meet by a score of 67-79-125-158 over Mishawaka, Vincennes, and Howe, in that order. Wellman, who placed fifth, had previously beaten the winner, Jim Lambert, who beat the record set by Anderson's Johnny Stayton by 9 seconds. This was the only defeat of the year for Wellman, who was followed by teammates Pierce and Swinehart in 32nd and 33rd places.

On November 8, Wellman again came through to set a new city record at the Howe Invitational Cross Country Meet, which the Hornets easily captured. Jack, who has now been "City Champ" for three consecutive years, ran the course in 9:46.1, 3.5 seconds faster than the old record set by Dave Dewitt, a '45 Howe graduate. The course record is 9:39.9, set by Johnny Stayton of Anderson.

The Old Post Meet, held October 15 at Vincennes, saw another record broken by Wellman when he ran the course in 10:12, a full 6 seconds

off the record set in 1948 by Ted Snyder, who finished behind Jack this year. The team itself, competing against seven of the stronger teams in the state and having some bad luck of its own, managed to finish in third place with 72 points. Paris and Vincennes finished first and second.

Howe's two-milers started the season on September 23 against Crispus Attucks and Fillmore in a three-way meet on the home course. The Hornets easily won with 19 points, followed by Attucks with 41 and Fillmore with 60. Howe captured five of the first six places, with Wellman winning in 10:07. Jack was followed by Mills of Attucks, Swinehart of Howe, Pierce of Howe, Jim Stewart of Howe, Ronnie Dougherty of Howe, Jones of Fillmore, Dwight Alexander, Bill Welch, and Fred Monschein, all of Howe.

The following meet saw the home squad rack up 25 points to overcome Richmond and Broad Ripple on the latter's course. Four days later the harriers met their only dual meet defeat of the season by Anderson, 26-29, on the victor's course. Last year the Hornets overcame Anderson's squad

by the same score. This was the fourth dual meet defeat for Coach Bowman's boys in six years. All four of these defeats have been accounted to Anderson's Indians, two in '46, one in '45, and the fourth one this year.

Another out-of-town trip three days after the Anderson encounter found the Hornets in Muncie, where they scored 26 points to defeat Burris and Central with 41 and 68, respectively. On October 11, the Hornets drubbed Fishers, on the home course, 15-40, by holding the first eight positions. One week later Shortridge fell victim on the same course, by the same score, and under the same circumstances.

Indianapolis was given a good preview of the Sectional winner when the Hornets beat Tech, Columbus, and Warren Central, 32-49-54-95, one meet before the Sectional at Coffin Golf Course.

The season ended at the Fall Athletic Banquet when the team received their awards and elected Jack Wellman as honorary captain of Howe's most successful cross country team.

## HARDWOOD SQUAD FINISHES .522 SEASON

Coach Elwood Yeager's varsity basketball team turned in a .522 record this season, winning twelve of twenty-three encounters throughout the state.

Two of these victories were scored in the Sectionals, where the Hornets outpointed Lawrence Central and Shortridge only to be defeated in the semi-finals by Tech.

Howe played the opening game of the Indianapolis Sectionals held at Butler fieldhouse to win a thriller over Lawrence, 45-43. The Hornets stepped out in front early in the game and six minutes had passed before a Lawrence guard scored. However, the Bears worked fast and the quarter score stood in Howe's favor, 12-9. Larry McKinsey helped widen the gap with his one-handed shots and the half ended at 20-14. At the end of the third quarter, Howe was still out front and the fourth period things got hot for Howe. They managed to hold an 8-10 point lead until the last four minutes of play when Lawrence got hot.

Lawrence cheering was now aroused, and between the opposing schools the fieldhouse was a din of excitement and frenzy. However, the Hornet quintet managed to hold Lawrence to a final score of 45-43. Chuck McMullen was high for the victors with 17 points and McKinsey scored 16 before fouling out.

LEFT—Dave Fahrbach (52) and Larry McKinsey (51) go up for a loose ball at the Southport game.

The second Sectional game for the home team was played on Friday afternoon against Short-ridge, who had beaten Howe, 52-34, earlier in the season. The Hornet five surprised the Blue Devils with some accurate hitting in the second half, hitting 14 of 36 from the field. It was nip and tuck throughout the first and second periods, and half-time score was 18-16 in favor of the opponents. Dave Fahrbach and McKinsey each hit 7 points to lead an 18-point thrilling tourney game. The final score was 48-41. Fahrbach hit 17 points for the winners and Bill Ralph hit only three field goals and seven free throws for Shortridge.

This latter victory matched the Hornets' squad against a powerful Tech team in the semi-finals Saturday afternoon. The Greenclads were behind only once and that was in the early minutes of the game. The half score saw Tech with a comfortable lead of 23-11. Howe opened the second half as the aggressor, hitting 8 points to the opponents' 2. During the final quarter Tech ran rampant and the score ended 51-34 to eliminate Howe from the tourney. Ernie Phelps was high point man for the home team with 11 points and Myron Moriarity paced the Green Wave with the same number. Tech went on that evening to win the Sectionals in a thrill packed game over Broad Ripple, 38-36.

RIGHT—Don Ward (43) jumps for a rebound while Dave Fahrbach and Larry McKinsey stand ready for a tip.

In the opening game of the season, Howe was beaten by Tech, 51-37, before more than 4,000 basketball fans at the Tech gym. The following week, however, saw six of Coach Yeager's squad overpower Washington, 39-27, on the home court. Fahrbach scored 15 points for the Hornets, and Curtis led the Continentals with 10.

Connersville caused another defeat, but the Hornets beat Franklin on another out-of-town trip the following week, 44-38. Chuck McMullen scored 12 points for the victors as they gave Franklin its fourth straight defeat. McKinsey and Kenny Wood helped overcome the Ben Davis Giants the next night with 11 and 10 points, respectively, as Howe won, 37-31.

In two four-team holiday tourneys, one at Tech and one at the home gym, the Hornets fared rather poorly. At the Tech Tourney, Howe lost to Tech in the first game, but overcame Washington, 47-30, in the consolation game. Two Fort Wayne schools, North Side in the afternoon, and Central in the evening consolation game, gave the host team two defeats in the Howe Holiday tourney.

McMullen hit 17 points, followed closely by Fahrbach with 16 to help set a new Howe scoring record as the victorious quintet overwhelmed Wabash, 66-48. Columbus came to Howe a week later to deal the hosts a 56-51 defeat.

Broad Ripple was the Hornets' next victim as they were defeated in the Tech gym, 43-40. Dick Campbell was high for Ripple with 19 points, and McMullen scored 13 for Howe. Two days later on January 20, Shortridge invaded the Howe court and whipped their hosts, 52-34, using the high scoring abilities of Supple and Ralph.

Crispus Attucks won their 11th straight encounter at the cost of Yeager's boys as they overcame a 19-19 half-time score and ended 45-39. One week from that game New Albany played host and gave the squad a 78-36 trouncing. The Hornets came back to their own gym February 3 to overpower Cathedral, 48-45, with the help of 13 points by Wilbur Zobbe.

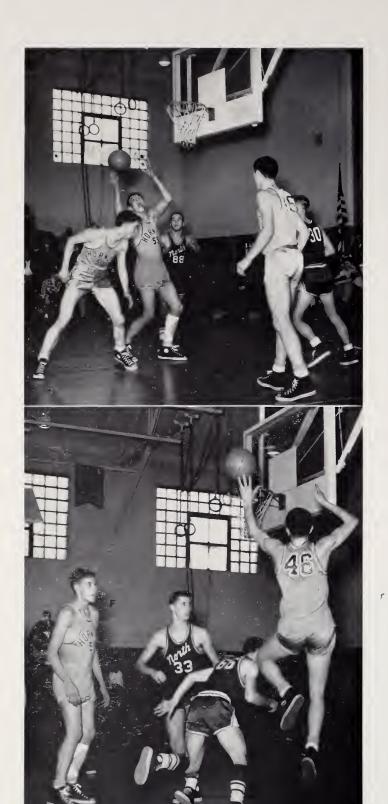

Garfield of Terre Haute visited the home gym the following evening to lose, 38-23, after holding a half-time score of 16-13. Southport utilized its height to overcome its guests the following week by a score of 48-43.

The two pre-sectional games gave the Howe Hardwoods two needed victories as they overcame Manual, 57-36, and Warren Central, 51-46, in home contests played the week before the tourney.

### RESERVE BASKETBALL

Coach Lewis Gilfoy's charges lost their first three games, Tech downing them by nine points, while Washington and Connersville could edge out only one-basket victories. The next three games were won by Howe, the fourth going to Washington. Wabash applied the stopper before the Hornets walloped Columbus and went on to win their last eight of ten games.

Elected as co-captains at the close of the season were Don Davis and Jack Callon.

### FRESHMAN BASKETBALL

Over a longer than usual schedule for a freshman team, Coach E. Franklin Fisher's boys won eight and lost ten and wound up with a respectable .422 percentage. The Hornets played "see-saw" ball, first winning a few games and then losing a few. However, of their ten defeats, only one was by a margin of ten points or more.

The rhinies first lost to Fairview by a margin of one basket before beating Washington by the same margin. The Hornets chalked up victories over Shortridge, Sacred Heart, Ben Davis, Cathedral, and Crispus Attucks before losing their last four games.

### TRACK TEAM WINS SECTIONAL HONORS

Howe's successful track season of 1949 saw five new records set by Frank Knox, Kent Pierce, and Dave Martin, who broke three of these records.

The broad jump record fell at the Hammond Clark meet in the Purdue fieldhouse when Martin jumped 20 feet 8 inches to outdistance Roland Swingley's 1945 record by  $1\frac{1}{2}$  inches.

The new hurdle records were both set at the Broad Ripple Invitational Meet when Martin won the lows in 23.3 seconds and the highs in 15.3. He also set the regional record in the highs with his record time, and set 15.4 as a new sectional record.

Frank Knox accounted for a record breaking season in the shot put as he consistently heaved the 12 lb. ball past his '48 school record of 49 feet 434 inches. The final record came, however, when Frank won the Indianapolis Relays with a heave of 51 feet 3½ inches.

The last record of Howe's season to fall was the 880 mark set by Kent Pierce in the sectionals. This fast time of 2:02.5 set a new sectional mark

The Hornet team opposed 99 teams throughout

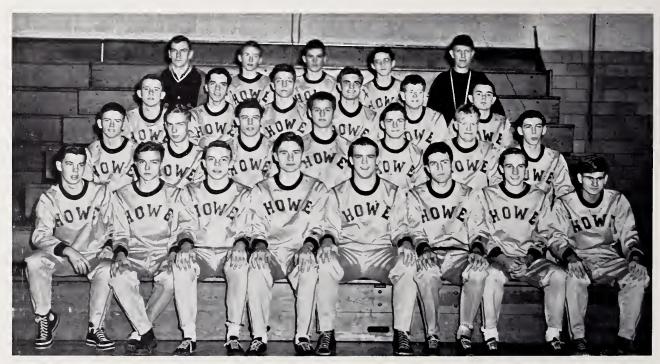

the season and defeated 88 of those teams, being more successful in big meets than in two-way contests.

In the Howe Invitational meet held at the Indiana University fieldhouse, seven teams competed, and the host team chalked up 25% points for fourth place.

Although the Hornets won only two first places in the Indianapolis Relays, they came in a strong third, with 41 points, behind North Side of Fort Wayne with 56 1/6 and Tech with 53. Frank Knox set his school record in winning the shot put with a heave of 51 feet 3% inches; and the hurdle combination of Leo Ahearn, Don Franz, Ernie Phelps, and Dave Martin won the shuttle relay in 51.6 seconds, only one-tenth of a second off the relay record. Other places were second in the medley and third in the 440, 880, mile, and two mile relays.

Tech again outdid the home team, 75-48½, in the City Meet, although Jack Wellman, Martin, and Knox took first places in the mile, high and low hurdles, and shot put, respectively.

with a score of  $46\frac{1}{4}$  to 39 over its closest contender, Warren Central. The Hornets picked up firsts in the 880 and mile relays, the high and low hurdles, and the shot put.

The Washington oval was the scene of Howe's most distinguished victory of the season, for there they won the sectionals by a score of 59½ points. Southport, the second place team, scored only 28½ points. Wellman and Pierce placed one, two in the mile and reversed positions in the 880, Pierce setting a new school and sectional record. Martin set a new sectional record of 15.4 seconds in the high hurdles and won the lows also. Knox won the shot put, and the mile relay team ran home first. Howe qualified 13 men in 9 events for Regionals.

Four boys qualified for the State Meet in four events in the Regionals. Wellman and Pierce came in just behind Anderson's Johnny Stayton in the mile. Martin won the high hurdles in 15.3 seconds and took first in the lows, while Knox scored second in the shot put.

In the State Meet, Wellman took fourth in the mile; Martin came in a close third in the high hurdles; and Knox put the shot for fifth place.

At the end of the season Jim Meek was elected honorary captain of the team; Dave Martin received the coveted 400 Club Most Valuable Player Award; and the Best Mental Attitude Award went to Dave Cook.

### HORNETS CONTINUE WINNING WAYS

In their sophomore season at the diamond sport, the Howe baseball team more than followed the good example set by their only predecessors during the '48 season. Coach Roscoe Pierson had four lettermen back from last year's squad: pitchers Bob Kaye, Dick Cooley, Tom Stanley, and infielder and captain of last year's team, Joe Pirtle.

The Hornets opened their season with a string of six successive wins. They first journeyed over to the west side of town, where they met, and downed, Washington's Continentals, 6-4. Hornets' Farrell Patrick and Bob Piers contributed to the cause by hitting triples. The Pierson-men got by Sacred Heart easily, 11-2, before locking horns with Shortridge in a tight pitcher's duel. The Brown and Gold ended on top with a 2-1 score. Infielder Wayne Engleman's three-bagger was one of the blows that helped the Hornets down the Tigers of Crispus Attucks, 11-4. Once more Washington tried their luck against the Irvington swatters, but to no avail. Rounding out the victory string, Howe next stung Cathedral's Irish, 6-1, after scoring 5 runs in the last inning. The inevitable villain then appeared in the form of Manual's Redskins, who downed the Hornets, 2-1.

Next on the agenda was the city tourney, first

of its kind, which was played at Victory Field. In their first game the Hornets met Manual, who had just beaten them, and avenged the defeat, 6-3. The Blue Devils of Shortridge next provided the opposition and upset the Hornets, 3-1.

Continuing their regular schedule once more, the Hornets next met the city champions from Broad Ripple, who took the game, 6-1. Joe Pirtle's lusty home run accounted for the only Howe score.

The long awaited "rubber game" with Shortridge was next and the Hornets were not to be denied. Their determination, along with excellent pitching, won out. By winning the game Howe also took the season's series with the Blue Devils, two games to one. However, they lost their next two games. First to accomplish the trick were the Franklin Township Flashes, who won, 10-3. Perennial rival Tech then took the sting from the Hornets, with the help of excellent pitching and timely hitting, winning, 11-1.

homerun was the most damaging and accounted for the only Howe score. The Hornets ended the season on the right side of the ledger, as they downed neighboring Warren Central.

Of the three Howe safeties, outfielder Bob Piers'

Joe Pirtle led the Hornets at bat, having a lusty .425 average, while Tom Stanley led the moundsmen with a perfect record of 3 and 0. Don Daugherty was elected honorary captain for the season. Bob Kaye received the 400 Club Most Valuable Player award.

Howe's opening spring golf match was held at Indian Lake with Lawrence Central. Howe was victorious with a score of 27-0. Shortridge defeated Howe 13½-4½ at Coffin. Jefferson of

LaFayette then outpointed the Howe golfers, 12-3. The Hornets were victims of Tech on a rainy afternoon at Pleasant Run. Howe finished by trailing Tech 12½-6½. At Batesville the Howe men were successful in defending their title. Howe led the second place Batesville by two strokes, 351-353. Despite a high wind, Gerald Williams led the field with an 81. Upon returning to Coffin the Hornets roundly defeated Washington 16½-1½. The

But the Hornets bounced back by beating Broad Ripple, 12-6. At Bedford Howe scraped through with a one stroke lead of 314-315.

In the city-county tourneys Howe and Broad Ripple finished behind Shortridge and Tech in a tie for third place. Williams and Hume were able to qualify for the state match. They received third place medalist's honors with 77. The team was not able to advance any farther than the first round of the state tourney. In the sectional match at Coffin, Howe faltered and fell into fourth place. The team was guided by the able coaching of Mr. Fred C. Lemley.

### INTRAMURAL ACTIVITIES

Howe's Intramural program is quite full of many games and activities. Among these are shuffle-board, volleyball, basketball, football, track, badminton, and table tennis. Football and basketball playoffs are held at the end of each intramural season, which decide the winners in the freshman and upper class groups.

The track meet, which is held near the end of each spring semester, is preceded by many weeks of preparation under the guidance of the physical education teachers. This track meet is held between the freshman and advanced classes. Basketball schedules are planned two nights a week for boys who wish to participate. Mr. Lyman Combs, the director of this worthwhile program, plans the evening basketball programs.

These activities give boys, who would not otherwise participate in athletics, a chance to develop their skills and abilities in sports.

Apparatus plays an important part in the life of a G. A. A. girl. Of the four pieces, rings, parallel bars, mats, and the side horse, three are used in the gym meet which is held annually in the spring. One of the pieces used is the side horse. In the above picture Janice Sampson is doing a straddle vault on it. Other pieces used in the meet are the parallel bars and the mats. There are varied opinions as to which piece of apparatus is the more popular.

### FOR FUN AND SPORTS

One of the most popular girls clubs at Howe is the Girls' Athletic Association or G. A. A., which is the most familiar name of the organization. The club's regular activity meetings are held each Thursday from 4:00 to 5:00 in the girls' gym. Business meetings are held the first and third Thursdays of the month before the activity meetings.

Girls attending G. A. A. receive points which help them earn the various awards. There are three main awards but a fourth award is given to girls who participated actively in G. A. A. for four years. The first award given, after the girl has won her membership award, is a brown emblem with G. A. A. in gold letters on it; the second award is a chenile English "H"; and the third award is a brown sweater on which the girls usually put their chenile letters. This last award is for those girls who have received all the other awards and have shown interest in G. A. A. their fourth year. Awards are presented each spring to the girls at the annual G. A. A. banquet.

Various activities are planned which girls may enter to earn points toward their awards. These activities include different tournaments in volley ball, table tennis and basketball. The girls choose teams and elect a captain for the competitive tourneys. The most popular ways in which the girls may earn points prove to be the annual gym meet and the spring track meet. In the gym meet the girls enter on one of three pieces of apparatus. They must compete by performing an original demonstration and the required one consisting of primary

requisites. They are judged by a point system on ability to perform their demonstration, accuracy, and their individual form. Ribbons are given to the girls giving the best demonstrations. An award is also given to the girl who received the most points in her particular class and a cup is presented to the class receiving the most points. The meet is judged by men in various fields of athletics.

The track meet held in the spring may be entered by any girl in the gym classes.

Points towards an award may also be acquired by outside activities such as hiking, bicycle riding, and swimming. Attendance at G. A. A. activities meetings enables members to gain extra points as does extra work in a gym class.

The G. A. A. along with Lettermen's Club sponsored the Winter Wonderland Dance held in December before Christmas vacation.

Officers were Barbara Reed, president; Janice Sampson, vice-president; Mary Stultz, secretary; and Martha Book, treasurer.

Primarily, the purpose of the G. A. A. is to provide enjoyment for girls through athletic activities.

# I HEAR MUSIC

DO - RE - ME

The Howe Choir, directed by Mr. Frank S. Watkins, is one of the most attractive organizations of the school. There are about seventy members in the group, chosen from the boys' and girls' glee clubs each year.

The choir biennially presents an operetta. This year's production was "The Mocking Bird," by Sidney Rosenfeld, which was presented on November 2 and 3. The leading roles were played by Nancy Johns and Paul Taylor.

Fred Waring's arrangement of "The Night Before Christmas" was one of the selections done by the choir in the Christmas assembly, in which 365 music department students participated.

The annual vocal Music Festival was held on May 5. Included on the program were Barbara Weesner and Betty Payton in a two piano number, and a solo selection by William Selmier.

Another performance included in the group's schedule was that of being official choir for the Easter Sunrise Service held on the Monument Circle, which was broadcast on a national radio hookup. Another broadcast was the Christmas program

on December 19, also done from the Circle.

The choir led a community Christmas Carol sing this year for the first time. Just a few of the group's other performances were appearances at P.-T. A., 400 Club meetings, and church programs.

## TO HOWE WE'RE LOYAL

Twelve girls and forty-eight boys were enrolled in A Band, under the direction of Mr. Robert Burford, for the fall semester. The band is at its largest enrollment for several years, and has a greater variety of instruments than ever before.

In a year's time, the A Band plays over a hundred different compositions ranging from current popular and swing favorites to transcriptions of symphony orchestra literature. Of course, a number of marches are used, for Mr. Burford feels that a program of band music is incomplete without at least one march.

In March, the band presented the annual Band Festival. Among the selections played were Gershwin's "Rhapsody in Blue"; "Nola" with Kent Pierce as soloist; and Grieg's "Piano Concerto in A Minor" with Barbara Weesner as soloist. A popular feature of this program has proved to be the community sing. Because of its popularity, a new program was added to the calendar of Howe this year—the Irvington Community Christmas Carol Sing held on December 20, when the band com-

bined with the choir and girls' glee clubs for a Christmas gift to Irvington.

Besides five different shows presented at the home football games, the band marched in two parades; the Hallowe'en Parade in Irvington on October 3, and the Armistice Day Parade in full dress uniform.

Some other events on the group's schedule were Open House, Commencement, P.-T. A. programs, an assembly program in the fall, the May Pageant, and concerts at east-side grade schools.

"Music is about the most demanding of any subject in the school," says Mr. Burford, "and, above all things, music demands alertness and clear thinking. It also teaches dependability, cooperation, brotherhood, leadership, group spirit, spirit of unselfish service for school and others, and the ability to follow directions and take criticism without being offended. All these qualities are badly needed in living today, so we feel that music gives as fine a training as any subject in the school program—in fact, we think it's the most important, but that is just our opinion."

# PUT THEM ALL TOGETHER

Pianissimo, forte, andante, and moderato are musical shop talk to the members of the Howe Orchestra. Under the direction of Mr. John W. Shepard, the orchestra has become outstanding in the music department.

Among the orchestra's many activities were playing for the Senior Class Play on January 27, Open House on November 11, the Footlight Revelers play on March 16, 17, and an all orchestra assembly on December 21, and another assembly on April 19.

The All-City Orchestra Festival is one of the orchestra's most important events during the year. This spring city high schools played at Shortridge High School. Two years ago, Howe's orchestra was third smallest; this year the group was one of the largest on the program. One of the selections the orchestra played was "A Night on Bald Mountain," which was featured in the moving

picture, "Fantasia."

Another special engagement was the first Howe Orchestra Festival on December 1, which was held in the gymnasium. Numbers played at this program were: "Symphony in F Major," by Dittersdorf, the Finale to Beethoven's "Fifth Symphony." Others were "Procession of the Grail" from the opera "Parsifal" by Wagner, and "The Great Gate of Kiev," by Moussorsky. Two Jerome Kern melodies were included, "The Song Is You," and "Smoke Gets in Your Eyes." Homer Pence, accompanied by the orchestra, played the "American Dance" for bassoon and orchestra, by Phillips.

The orchestra's playing of "Pomp and Circumstance" always takes an important part in the commencement ceremonies each June.

After six or more semesters of participation, awards are presented to the orchestra members for service rendered.

YOURS TRULY

Up eighteen steps and twice around the circular staircase is the daily climb for those of the HILLTOPPER staff. When the top is reached at last, work is quickly begun with the battered "dummy" amidst a clutter of papers, "ident" sheets, grease pencils, and rubber cement.

The production of the 1950 book started early in the spring when the new staff was chosen. The first item of business was to decide on a theme and general outline for the book. Then the whole staff went to work to engineer the spring dance, "The Blossom Time Ball," held on May 6.

When June at last rolled around, bringing with it the end of the school year, an Autograph Party was held in the gym for friends and pals to write verses to each other in their newly received 1949 HILL-TOPPERS.

After school started again in September, business manager Judy Wear and her assistant, Ardith Whipple, began the 1950 HILLTOPPER subscription campaign. Next came the HILLTOPPER assembly program on September 21, when the candidates for the Brown Boy and Golden Girl contest were announced. Winners Dick deLanglade and Janet Callon reigned over the annual HILLTOPPER - sponsored "Brown and Gold" dance on October 8.

MIDDLE—Janice Huston, June Wolfe, senior editors; Janet Callon, club editor; Jo Ann Meyer, activities editor; Beverly Hendrickson, homeroom editor. Shortly after this, homeroom editor Beverly Hendrickson began the supervision of picture taking for her section. Senior editors June Wolfe and Janice Huston made out senior picture schedules. Club editor Janet Callon, and activities editor Jo Ann Meyer, skipped a day or two of classes while the group pictures for their sections were being taken. Sports editors Don Franz and David Bailey, with their assistant, John Essex, supervised team and intramural pictures.

The next problem, while waiting for the proofs of the pictures, was that of deciphering, checking and typing the names of those in the pictures. Care had to be taken to see that there were the same number of people in the picture as there were names.

When the final prints came back from the photographer, make-up editors Paul Taylor, Barbara Lamb, and their assistant, Dorothy Mosiman, were busy with slide rules, measuring the "glossies" to proportion, marking, cutting, and mounting them on cardboard to go to the engraver.

Next on the agenda was figuring copy area for the identifications and writing up the organizations. When school closed because of the coal shortage, there was a rush to get all the "copy" in to the printer in time for the March 1 deadline.

Editor-in-chief Joyce Mitzner, associate editor Anne Moreland, and sponsor Mrs. Ellen Jenkins, watched over the production of the book.

We wish to express our thanks to Clarence E. Crippin and Son, Inc., for the printing; Loudermilk's Studio, for the pictures; Indianapolis Engraving Company; and S. K. Smith Company, for the covers. The production of this book would not have been possible without their help and cooperation.

# PRINTER'S INK

These energetic-looking people are the members of the HOWE TOWER staff. Every day they pass through the heavy door on the second floor, and up the stairs that lead to the TOWER office. The forty-one staff members work very hard to produce their bi-weekly publication under the able supervision of sponsor Mr. Wayne Mellott, editor-in-chief David Williams, and associate editor Judy Charnley. Page editors Rita Miller, Mary Stultz, and Robert Hudson plan and work out their respective pages.

On "Beat Day," there is an almost ceaseless stream of traffic in and out the TOWER door. After all the assignments have been given, reporters Shirley Carmichael, Jessie Corey, Jeanette Dixon, Jane Goken, John Niemann, Farrell Patrick, Mary Jo Reed, Carol Simons, and Anîta Strahl go in search of news. Nancy Jo Parr and William Welch get busy on their editorials, while feature editor Janice Sampson directs the feature staff consisting of Alice Farmer, Alice Hatcher, Jo Ann Ludy, Judy Morrow, and Alice Westerfield. Dick Keppler gets busy on his "Buzzes from the Hornet's Nest" column, while the other sports writers, Ben Gorman and Dan Meininger, start gathering facts and figures about the various teams about Included in the sports category is Betty Lukenbill with G. A. A. news in her column, "On the East Side."

director, Indianapolis
News; Judy Burkhart, Indianapolis Times; Alice
Hatcher, Indianapolis Herald.

After all the stories have been turned in, Pat Keller checks the names for spelling, and copy editors Judy Burkhart and John Shreve check them for accurateness.

When the finished paper comes out every other Friday, circulation manager Nancy Johns sees to it that every student at Howe has a paper to read. The finances for the year were under the care of Virginia Bruce.

Exchange editor Mary Lou Dinkel had charge of sending copies of the TOWER to other schools, and receiving copies of other school papers sent to Howe.

All staff members have taken the required semester of journalism before being permitted to join the staff. In the second semester, nine assistants were chosen from the journalism class for the purpose of acquainting them with the operations of newspaper publication in preparation for full staff membership. Nancie Northern and Edward Steward assisted in the feature department, Sue Hodgin and Paul Jump helped with the editorials, George Gill, Dick Gilmore, and Jack Rogers assisted with sports writing, and the regular reporters were assisted by Dorothy Harbold and Joyce Myers.

Together with the HILLTOPPER staff, the TOWER members planned and gave a Christmas Party on December 20. The annual Publications Birthday Party was held in May with all members of the journalism classes and publications staffs invited.

The HOWE TOWER is a member of the Indiana High School Press Association, the National Scholastic Press Association, and Quill and Scroll, International Honorary Society.

Staff members receive a certificate for each semester's work. A Publications Pin is given to those who have had two years of continuous service on either HOWE TOWER or HILLTOPPER staff.

# SALVETE, AMICI!

Latin Club members are Howeites who are enrolled in Latin classes. Meetings of the club are conducted in true Roman style. Their main activities included a Roman trial and a trip to Delphi where they consulted the oracle. Members also elected officers to the Roman state. They were two consuls (who are the highest officers), a tribune, aedile, and praetor. The Saturnalia, an annual banquet observed by the ancient Romans around the time of the New Year is also held by the Latin students. Miss Thelma Cooley sponsors the club.

# ON THEIR WAY UP

The origin of the name Selofra expresses well the purpose of the freshman girl's club—service, loyalty, and friendship. The club's many activities during the first semester included a talk by the dean of a beauty college and a panel discussion on etiquette. The girls had a style show given by the members. Narrator for the show was Kathleen Craig. They also helped at the annual Christmas party for the four girls' clubs by decorating the Christmas tree.

The second semester activities included the Welcome party for the January freshman girls and the Mother's Day tea. Participation in the competitive stunt which is held every other year was also on the club's agenda.

Officers of the club were Sarah Eickhoff, president; Janet Turner, vice-president; Janet Parker, secretary; and Joanne Craig, treasurer.

Mrs. Betty Baker sponsored the club during the first semester and Miss Ellen O'Drain was sponsor for the second semester.

# ALMOST THERE

Junior girls at Howe compose the membership of the Vihota Club. It is the oldest of the four girls' clubs, and received its name from the fact that Howe was built on Violet Hill and it seemed appropriate to name the first girls' club after it.

From this club the Violet Queen and her court are chosen. She reigns at the annual May Pageant held on the front lawn and Tower steps.

Members list among their activities a Hallowe'en party, a talk on better grooming, and a panel discussion on dates by four boys from the Hi-Y (Don Franz, Morgan Sly, Kent Pierce, and George Fisher). The Mother's Day Tea and the competitive stunt are on their agenda also. Secret Valentine Pals were chosen at a Valentine Party. Girls gave their pals gifts for a week, placing them in the pal's locker. Identities of the pals were revealed a week later. Mrs. Ruth Reed sponsors the club.
